Sir:

The above-identified patent application was filed in October 17, 2003. As of January 25, 2006, the PAIR system identifies the status of the application as "application dispatched from preexam, not yet docketed." As such, although the application was filed over two years ago, it appears that the application is not yet even been assigned to an examiner.

As such, please advise as to the status of the present application.

Dated this 26th day of January 2006.

Respectfully submitted,

DANA L. TANGREN
